Reach Beyond Knowing

An IB World School

I AM THE
FUTURE

Welcome to
KANAKIA
International School

Kanakia International School - part of RBK Educational Institutions - began in the year 2007 in Chembur with a simple and honest goal of providing the finest education to the young learners. Kanakia International School fosters an exquisite academic involvement by encouraging learners to take initiative and become creative thinkers. Spanning across Pre K-12 years, our schools are designed around each learner's abilities and primarily work towards building core academic and personal skills.

Currently, over 10,000 students study with us in National and International Curriculum Schools across Mumbai and Gujarat. Kanakia Kids, the pre-primary section of Kanakia International School, is a new-age preschool in Mumbai which focuses on play-based learning to imbibe curiosity and encourage cognitive, social, physical, and emotional skills in the kids.

The success of Kanakia International School can be ascertained by the achievements of our students every academic year and the happiness of our parent community.

Mission

To inspire young minds to meet their full potential as learners. Our intent is to create a supportive educational environment that produces self-motivated students and reliable future citizens.

Vision

Our vision is to develop global leaders for tomorrow. We aspire to have our students develop into lifelong learners with a sense of purpose, good moral judgment and commitment to making the world a better place.

Management Team

Committed to giving people across India access to education and literacy, she is extremely passionate about her vision. It is through education that Ms. Rupal Kanakia wants to enable women and the youth of today to progress tomorrow.

Principal's Message

Shuchi
Shukla

Principal, Kanakia International School (IB)

Kanakia International School is a community that fosters creativity by allowing students to explore their latent talents and draw from each other's academic and co-curricular passions. We provide the perfect springboard for our students to emerge as principled, balanced, knowledgeable, caring, inquirers, thinkers, communicators, open minded, risk-takers, and reflective-learners who are ready to face the world!

INTRODUCTION TO

International Baccalaureate

at Kanakia International School

Kanakia International School is an IB continuum world school in Mumbai. Established in the year 2007, it offers the widest possible pathway for world class education.

At Kanakia International School, we provide an enriching and stimulating learning environment with teaching faculty drawn from across the globe.

The International Baccalaureate Organization (known as the IB) offers four high-quality and challenging educational programmes for a worldwide community of schools, aiming to create a better and a more peaceful world.

IB Pathway at KIS

Primary Years Programme

The PYP is designed for students aged 3 to 12. It focuses on the development of the whole child as an inquirer, both in the classroom and in the world outside. It is a framework guided by six transdisciplinary themes of global significance, explored using knowledge and skills derived from six subjects areas, as well as transdisciplinary skills, with a powerful emphasis on inquiry.

Middle Years Programme

The MYP is designed for students aged 11 to 16. It provides a framework of learning that encourages students to become creative, critical and reflective thinkers. The MYP emphasizes intellectual challenge, encouraging students to make connections between their studies in traditional subjects and the real world. It fosters the development of skills for communication, intercultural understanding and global engagement—essential qualities for young people who become global leaders.

IB Diploma Programme

The IB Diploma Programme (DP) is an academically challenging and balanced programme of education with final examinations that prepares students, aged 16 to 19, for success at university and life beyond. It has been designed to address the intellectual, social, emotional and physical well-being of students. The programme has gained recognition and respect from the world's leading universities.

International General Certificate of Secondary Education

Cambridge IGCSE is offered in Grade IX and X along with the MYP program. It is a two year program certified by the Cambridge Assessment International Education (CAIE).

The CIE program and qualification set the global standards for international education. The school offers an array of subjects to choose from. The Cambridge International Certificate in Education (ICE) award is also offered by our school.
